

# **museum** USER'S GUIDE

## **INTRODUCTION**

---

Museum is an online application designed for kids aged between 6 and 12 years old, that offers them a new space to play and learn at the same time. The adventure starts with a warm and happy greeting from *Sally* the main guide throughout this rich experience; after this kids meet *Dan* who is looking for his friend *Alex*, a little girl hidden somewhere in the museum. Kids' mission is to solve the mysteries inside the rooms of **museum**.
